

Rival Muhammad Sayid

Quality Assurance Engineer | SQA

Jakarta | +62 8979501887 | rivalmsayid@gmail.com

 Portfolio <https://rivalmsayid.github.io>

Summary

Passionate Quality Assurance. Graduated from the National University Faculty of Computers. Currently, I am on an interesting career journey in the professional world.

With a passion for continuous learning and development, I am currently focused on my role as a professional in the technology industry. I have a particular interest in Quality Assurance (QA) and currently, I have completed the Quality Assurance bootcamp program at Binar Academy. Through this program, I worked to deepen my understanding of software testing and product quality, as well as hone the technical skills necessary to ensure a great user experience.

My experience in technology has given me valuable insight into how innovation and technological excellence can shape the future. Apart from academic experience, I also have practical experience in technology-based projects which equips me with the ability to adapt quickly in a constantly changing environment.

Education

Quality Assurance Engineer Jun 2023 - Okt 2023

Binar Academy

- Bootcamp in QA Engineer
- Complete Project Automation & Performance Testing :
 1. Secondhand Website E-commerce
